## **OCTOBER - MONTH OF THE HOLY ROSARY**

**Pope Leo XIII**

*"On the Holy Rosary"* (1892)

IT IS IMPOSSIBLE to say how pleasing and gratifying to her it is when we greet her with the Angelic Salutation, "full of grace"; and in repeating it, fashion these words of praise into ritual crowns for her.

FOR EVERY TIME we say them, we recall the memory of her exalted dignity and of the Redemption of the human race which God began through her.

WE LIKEWISE BRING to mind the divine and everlasting bond which links her with the joys and sorrows, the humiliations and triumphs of Christ in directing and helping mankind to eternal life.
